Box Petition
Assistant Commissioner for Patents
Washington, D.C. 20231

Applicant was notified during a telephone interview on May 20, 2002 that a Restriction Requirement had been mailed on December 17, 2001. At that time, Applicant had not received any office action in the referenced case. At the examiner's suggestion, Applicant filed a Status Inquiry requesting notification of the status of the case. On July 3, 2002, Applicant was requested to file a petition because the case had unintentionally gone abandoned. Applicant filed a "Petition For Revival of an Application For Patent Abandoned Unintentionally" on July 16, 2002, in order for the restriction requirement to be remailed and the time period for response restarted.

Applicant has received from the Office of Petitions a decision dismissing the petition of July 16, 2002. According to the Office of Petitions, the petition lacked the required reply as to

the Restriction Requirement. Applicant now files a renewed petition under 37 CFR 1.137(b) with the required response to the office action of December 17, 2001.

Applicant was informed that no fee would be required for this petition in view of the foregoing circumstances. However, the Commissioner is authorized to charge any fees in connection with this response, or to credit any overpayment, to Deposit Account No. 02-0429 maintained by Baker Hughes Incorporated.

Respectfully submitted,
